Project Management for Rehabbers

Learn to manage all the parties needed to keep your project on schedule and on budget

Lee Arnold and his real estate fixing and flipping team has successfully completed hundreds of rehabs. At any one time, several are in various stages of completion.

At this two-day specialty lab, you will hear from Lee, his crew manager, project manager, marketing expert and buying and selling expert when they explain the keys to rehabbing and wholesaling properties in Lee's backyard — Coeur d'Alene, ID and Spokane, WA.

One in a series of specialty labs by the Lee Arnold System of Real Estate Investing
